THURSDAY

I can see Friday tomorrow.

FRIDAY

It's over.

MONDAY

Almost Tuesday.

TUESDAY

What's your background then?

WEDNESDAY

Why Customers quit:

- 1% die
- 3% move away
- 5% move because of other friends
- 9% leave because of price
- 14% are dissatisfied with the product
- 68% because of an attitude of indifference towards the Customer by the staff.

THURSDAY

Don't you think the weeks are getting quicker? Starts on a Monday and then suddenly it ends on a Friday.

FRIDAY

It's Friday.
